CLASS PROPHECY

Well, here it is 1967 already. My, how the time flies when you are out of school. I am going to give you the routine rundown on the class of '57, just to show you what the old graduates are doing today.

The first person I bumped into was Mary Banks. She owns a chain of service stations, and Ruth Brown is the manager and attendant of one of them. Art Jackson has a quiz program on television and on his panel is Lloyd Miller, the "Einstein of the Modern Age." Harold Norton, also on television, has a rock 'n' roll band called the Hep Tones, starring Terry Richmond and his rocking trombone. The nations largest oil tycoons, Ted Greene and Sid Jordan are campaigning for Willard Auble, who is running for president. Ed Dunford is a bell-hop in the Hotel Statler in California. I heard that Norman Hines owns a huge auto wrecking company near Detriot where two ace mechanics, Dave Gott and Walt Moon, live. John Dickason has become owner of the Cleveland Browns, and he also coaches them. The great pool shark Robert (Andy) Anderson has a chain of pool and billiard rooms across the country. Carl Crapo, now the commissioner of Findley State Park, is on a tour in Yellow Stone National Park. Kay Watters owns a beauty salon in Hollywood, and famous movie stars like Cherie Babitt, Janet Brehm and Melinda Murray are her steady customers. By the way, MGM has just released Janet Brehm's latest picture. Opera star Kay Carmen is now making the opera "Dosto" very popular. Frank Dost is the composer of "Dosto." Ronald Eaton and Ray Fehlan own Wisconsin's largest dairy farm. Charles Brill is a professor of agriculture at Ziegler College for Farmers, founded by Dale Ziegler. Tom West has become the World's Heavyweight Wrestler after the defeat of Honest John Halliwill. Bob Soley is desperately trying to get a patent on a new type radio he recently invented. Richard Robinson, Donna Ewing, Dick Papania and Deanna Settlemire are the founders of the Happy Home Makers of America. Barbara Tenney and Jeanette Warren are outstanding models for the Anderson-Nestor Clothing Agency owned and operated by Nancy Anderson and Mary Nestor. Norma Lattimer and Dick Kovar are making a series of movies for television called "Space Reporters from Mars." Leslie Somsak owns the most beautiful tourist resort in Florida that I have ever seen. Richard McKenzie has built his new home near Carson, the headquarters for McKenzie Air Lanes. Barbara O'Keefe has worked her way from newspaper peddler to editor of the Cleveland Plain Dealer.

The new series of cooking lessons on television are headed by Una Holley, a great cook. Jack Cottle has become president of the Mercury Division of the Ford Plant in Detroit, Michigan. Jim Teehan is out in Texas operating a newly constructed dude ranch, and is also owner of a wild west rodeo. As you have probably heard Peg Poiner is our country's best interior decorator. Mary Finkel is now the superintendent of some large school near Cleveland, Ohio. Doris Tobin has been writing mystery novels and has been making a fortune from them. Kieth Sugaski is still in the same old turkey business, except that now it is spread all over Northern Ohio. Jeannette Barbe is on her record tour of Europe, making news reels for television. Lee Grissinger owns a big construction company, and now is building a skyscraper near the Terminal Tower in Cleveland. Joan Preston is employed at the Stork Club in New York. I guess you would call her the manager, because she owns it. Famous recording stars Bob Storaci and Jerry Pfeiffer recently released two big hit songs called, "This Is the End Of My Line," and "I'll Be Seeing You." Well, that's the old class of '57.

Under the direction of Mrs. Florence, the A Cappella Choir had a successful and interesting year. During the fall and winter months, activities included the annual Christmas program, caroling in the town square, and leading the student body in a caroling procession, something new in W.H.S. In the spring they attended the District Contest, presented a spring program, and participated in the various commencement exercises.

Any member will tell you that W.H.S.'s "Musical Dukes", had a very busy year. Directed by Mr. Jones, the band added a musical note to many school and civic activities. During the football season they performed as a high stepping marching band. Christmas found them playing carols in the town park. They presented two concerts; one in mid-winter and one in the spring. A highlight of the year was the Annual League Band Festival. All in all, they met the requirements of an extraordinarily complete schedule.

VARSIT

The Dukes of Wellington had an above average football team this year. The record of the team was seven wins and two losses. These losses came at the hands of the teams from Huron and Amherst. The Dukes were not rated among the best teams, but in non conference games with other leading teams Wellington trounced these leaders thoroughly.

The Dukes also handed New London, their arch rival, a loss with a score of 32 to 0, thus advancing one third of the way towards keeping another American Legion Trophy.

The attack was spearheaded by returning lettermen. The backs were John Dickason, Lee Grissinger, Richard McKenzie, and John Brown, a Junior, who greatly improved as the season progressed. The forward wall consisted of ends Dale Ziegler, Mike Harris, Carl Crapo; tackles Jim Herrick, Keith Sugaski; guards Jim Vickers, Walter Moon, Richard Robinson; and centers Ray Fehlan and Norman Hines. Place kicker, John Wilkinson, also was an especial help to the team.

John Dickason was the leading scorer in Lorain county this year with one hundred points. Credit must also be given to Coaches Campbell and Shellhouse for producing excellent teams for the past three years.

The Varsity's scores for the season were:

Wellington	25	Medina	7

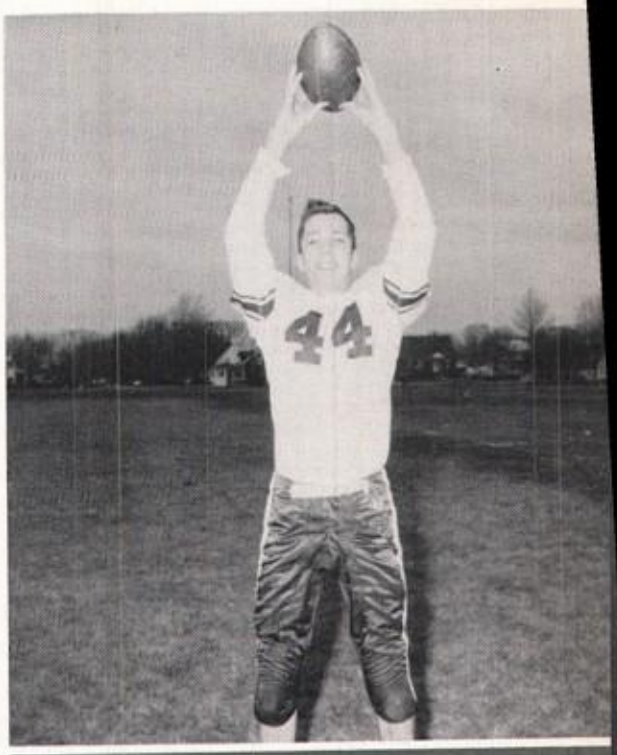
On these pages we honor the thirteen boys who this year retired from high school football. Their pictures appear here and on adjoining pages. These boys, who are all enthusiastic football fans, have given the followers of the team many evenings of thrills and good football enjoyment. The boys have played the sport for a varying number of years, as some started in junior high school, while others participated only in the last few years.

Of course, while they all played with equal vigor, some played with a good deal more success than others. John Dickason, for instance, captured the county football crown by out scoring all other high school football players. John scored a grand total of one hundred points. Many of these boys were also named on the All Conference Team, which is considered the high football honor in this area.



Left to Right: Carl Farago, Tom Jones, Carl Crapo, Floyd Herold, Dale Ziegler, Mr. Shellhouse, Mike Harris, Keith Sugaski, Norman Richards, Richard McKenzie, John Dickason. *Kneeling* is Manager Gary Hilliker.

VARSITY BASKETBALL

The starting team consisted of four seniors and one junior. They were: John Dickason, guard; Dick McKenzie, forward; Keith Sugaski, guard; and Dale Ziegler, center. The junior was Mike Harris. Mike played forward.

Co-captains, McKenzie and Ziegler, led the team in many stirring victories, which obtained for them the Lakeland Conference Championship. High - point man was Dick McKenzie. Mike Harris came in second. Mike scored 30 points at the South Amherst game. Keith Sugaski was third. This was Keith's first year as a varsity regular. Fourth was Dale Ziegler. He did an excellent job at Pivot. Last, but not least, was John Dickason, who scored 20 points for the team at the Amherst game.

Coach Shellhouse will be losing four of his first five players next year. Mike Harris will be the remaining one. We are very appreciative of Mr. Shellhouse's fine coaching, and we hope that his good fortune continues.

This team in the opinion of many people is one of the best in years. Its record was 16 - 1. The loss (60 - 57) was encountered with Vermilion, who ended up in second place. Wellington beat them at the next engagement 73 - 68.

The Varsity scores are:

RESERVE BASKETBALL

The Reserve team had quite a few exciting games this season. They won many of these. The team showed great promise sporadically, but they didn't keep it up at all times. Consequently, they didn't have quite the season that was predicted for them by their coach, Mr. Gove.

Mr. Gove is training many boys to be good basketball players next season, and all hope that he will keep it up.

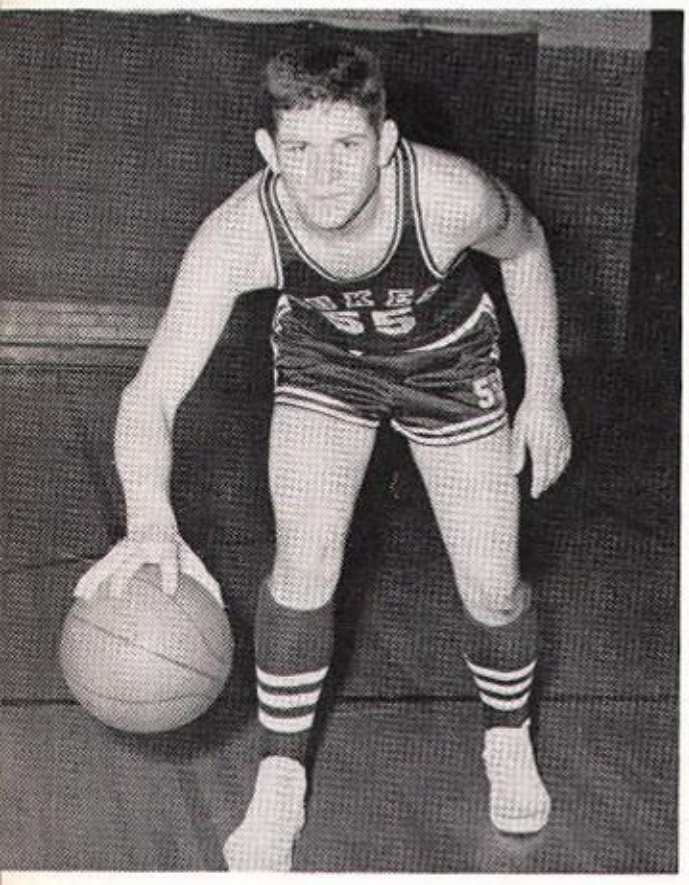
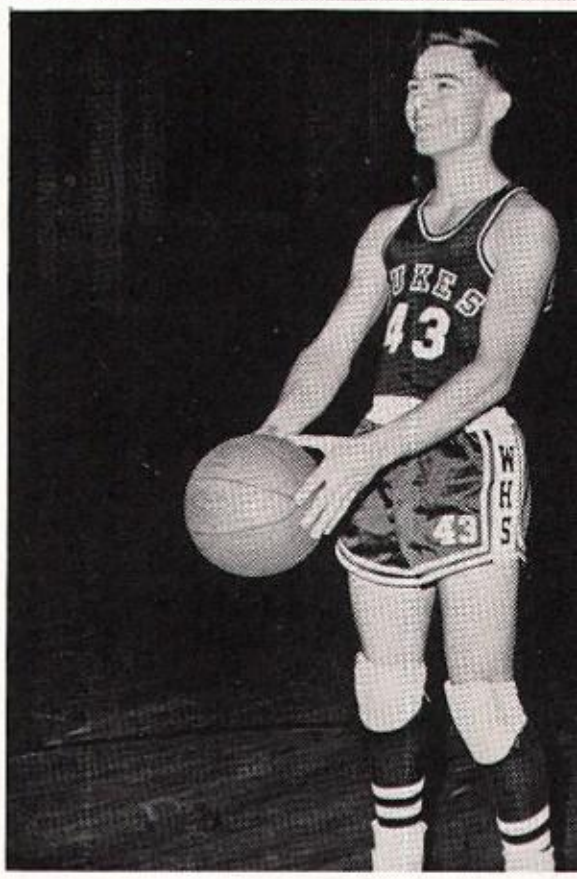
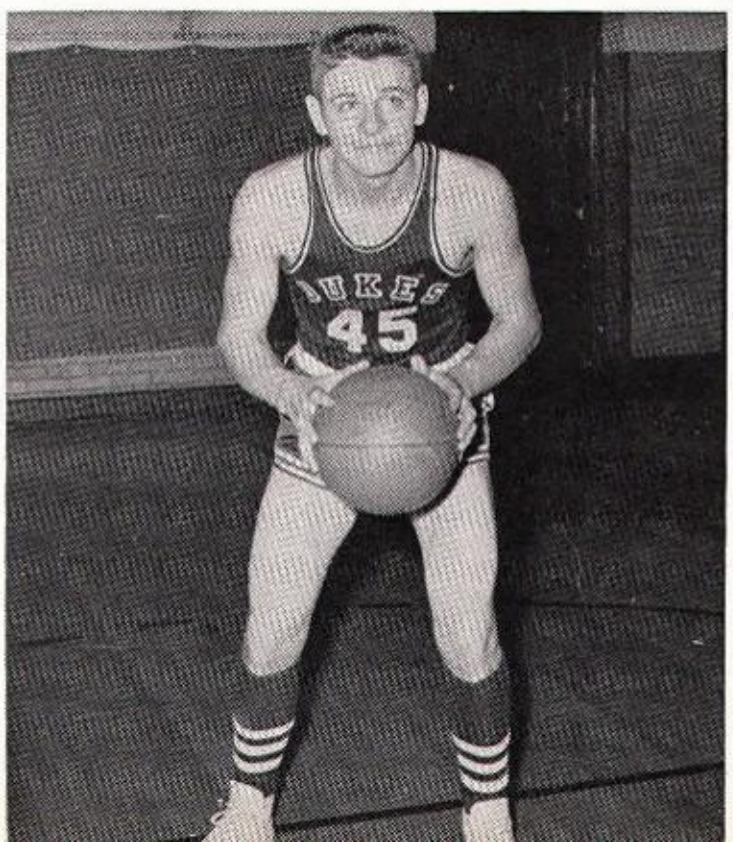
SENIOR PLAYERS

On this page are the pictures of the five Senior basketball players, who have contributed so much to the Varsity Squad this year. We certainly want to congratulate them for a job well done.

The picture directly above is of the two coaches, who have trained the boys through their high school basketball careers. Mr. Shellhouse coached the Varsity and Mr. Gove instructed the Reserves. Counter-clockwise from there, the pictures are of Rich McKenzie, Kieth Sugaski, Dale Ziegler, Carl Crapo, and John Dickason.







BASKETBALL FIRST TEAM

This page is set aside to praise the five boys who put Wellington High School on the basketball honor roll. These five, after many years of playing the sport together, have succeeded in becoming one of the best teams in the territory. The boys from left to right are, John Dickason (5'11"), Dale Ziegler (5'11"), Mike Harris (6'0"), Keith Sugaski, (6'0"), and Dick McKenzie, 5'11"). The boys aren't very tall when judged as Basketball players, but they are not lacking in speed, endurance, co-ordination, intelligence and teamwork. There has been much comment on the last item. In their games no one boy endeavored to capture all the glory for himself. The team would have suffered greatly from the loss of any of them. So boys, Wellington wants to thank you for all the time and toil that you've contributed to make this team a good one. We're proud of you and we want to be certain that you know it.

BASEBALL

The above picture is of the 1956 baseball team, which was coached by Mr. Shellhouse. Many of these boys will be returning to the diamonds again this year so Mr. Shellhouse will probably continue his success with the team.

TRACK

The above picture is of last year's track team. As this year's team has not begun practice at the time of this writing it is impossible to have a photograph of them. Many of last year's lettermen will be returning to the cinder tracks this year, so Mr. Campbell is assured of an experienced team.

TIME OUT FOR GINGER

The events pictured are just a few of the many annual events that constitute the traditions of the school. Besides the class plays, the home-coming, and the Junior-Senior, there are several other big events which must be remembered too. Every year these events are performed in chronological order to make another school year complete.

The first traditional event which occurs every year is the assembly on the first day of school. Immediately, the football season introduces more activities, which we consider part of our local heritage. There is Dad's night, when all the proud team fathers appear wearing their sons' numbers. Then comes the New London Game and the daubing of store windows with Bon Ami. The previous night there is the Bon Fire (*picture above*) and pep rally. On the night of the big game, there is the crowning of the Homecoming Queen. Following the game the American Legion trophy is awarded to the victorious team. Thus ends the football season. The next week there is the Senior Class play, which climaxes long weeks of practice.

Soon thereafter basketball starts, as it always does. The Christmas Program is the next thing on the agenda. The A Cappella usually sing the religious songs and the Chorus those of a lighter variety. Then just before the Christmas vacation, which could also be named as a tradition, we have the annual Christmas assembly. At this affair there is usually a movie. Often the Choir sings and there are Christmas readings.

Upon return from Christmas vacation there are exams waiting for all Wellington High School's students. Should they be mentioned as part of the traditions of the school? We wonder, and yet every year they are there—a definite part of our years in high school.

Basketball season draws to a close with the advent of the tournaments. Following on its heels is the Junior Class play. Shortly after the play comes Spring vacation, and after that, the Junior-Senior. Into this one dance the Juniors will have put incalcuable amounts of time, effort, and lest we forget it, money.

The Prom becomes a memory, and the Seniors begin to realize that they have very little time remaining. The spring program comes and goes. As is usual, it is even better than the ones in preceding years. Next the Final Exams arrive, and also, of course, the studying that antedates them. They're almost a legend themselves.

The Recognition Day Assembly soon becomes a past event. It is a day set aside to give credit to those persons who have won scholastic honors and to those who have served their school in other ways.

Graduation approaches. Baccalaureate arrangements come, and after much practice the event itself is a thing of the past. Graduation follows suit and all fifty-odd Seniors receive diplomas and then suddenly they find themselves alumni. There is now a new group of Seniors! Once the meeting of the Alumni is over, the school year is finished, completed, done. We can look back over the year with the pleasure of accomplishment. But, it really isn't gone. It's still here, only next year all the things the Seniors did will be done by someone else . . . . The Juniors, who are now the "Supreme Seniors."
